This Reclamation Contract (hereinafter referred to as "Contract") is entered into between Deseret Generation & Transmission Co-operative the "Operator" and the Utah State Division of Oil, Gas and Mining ("Division"). A Reclamation Contract is required under Utah Mined Land Reclamation Act, Sections 40-8-1 et seq., Utah Code Annotated, (1953, as amended) (hereinafter referred to as "Act") and implementing rules.

WHEREAS, Operator has exceeded the approved five (5) acre threshold for a small mining operation, R647-3-113, and Operator desires to continue mining operations for an "interim" period of not more than 12 months, upon areas already disturbed totaling 17.64 acres. Within 90 days of the filing of this contract and reclamation surety, the operator agrees to file a complete Notice of Intention to Commence Large Mining Operations (Form MR-LMO) describing a detailed mining and reclamation plan for continued operations at this site. An approved Large Mining Notice of Intention must be in place at the end of a 12 month time period following Division receipt of this contract. Any extension of this filing time period will be in writing and at the sole discretion of the Division.

WHEREAS, Operator is obligated to reclaim that area described as the Disturbed Area and Operator is obligated to provide surety in form and amount approved by the Division, to assure reclamation of the Disturbed Area.

NOW, THEREFORE, the Division and the Operator agree as follows:

1. Operator agrees to conduct reclamation of the Disturbed Area in accordance with the Act and implementing regulations.
2. Concurrent with the execution hereof, Operator has provided surety to assure that reclamation is conducted, in form and amount acceptable to the Division.

Division. The approved form and amount of surety is attached hereto as Attachment B and made a part hereof. The surety shall remain in full force and effect according to its terms unless modified by the Division in writing. If the form of surety expressly provides for cancellation, then, within 60 days following the Division's receipt of notice that the Surety Company intends to cancel the surety, the Operator shall provide a replacement surety in a form and amount reasonably acceptable to the Division. If the Operator fails to provide an acceptable replacement surety, the Division may order the Operator to cease further mining activities and to begin immediate reclamation of the Disturbed Area.

3. Operator agrees to pay legally determined public liability and property damage claims resulting from mining to the extent provided in Section 40-8-7(1)(e) of the Act.
4. Operator agrees to perform all duties and fulfill all reclamation requirements applicable to the mine as required by the Act and implementing rules including but not limited to, the previously accepted Small Mining Notice, as amended.
5. The Operator's liability under this Contract shall continue in full force and effect until the Division certifies 1) that the Operator has reclaimed the Disturbed Area in accordance with the Act and implementing rules, and the previously accepted Small Mining Notice, as amended, or 2) until a mining and reclamation plan for a large mining operation has been approved by the Division and the final Reclamation Contract and surety are in place.
6. Operator agrees to indemnify and hold harmless the State, Board and the Division from any claim, demand, liability, cost, charge, suit, or obligation of whatsoever nature arising from the failure of Operator or Operator's agents and employees, or contractors to comply with this Contract.
7. Operator may, at any time, submit a request to the Division to substitute surety. The Division may approve such substitution if the substitute surety meets the requirements of the Act and the implementing rules.
8. This Contract shall be governed and construed in accordance with the laws of the State of Utah, and is in addition to any other rights and authorities the Division and Board have to seek relief from the Operator.
9. If Operator shall default in the performance of its obligations hereunder, Operator agrees to pay all costs and expenses, including reasonable attorney's fees and costs incurred by the Division and/or the Board in the enforcement of this Contract.

10. Any breach that the Division finds to be material of the provisions of this Contract by Operator may, at the discretion of the Division, result in an to cease mining operations. After opportunity for notice and hearing, the Board of Oil, Gas and Mining may enter an Order to revoke the Small Mining Notice of Intention, order reclamation, or order forfeiture of the surety, or take such other action as is authorized by law.
11. In the event of forfeiture of the surety, Operator shall be liable for any additional costs in excess of the surety amount which are required to comply with this Contract. Any excess monies resulting from forfeiture of the surety, upon completion of reclamation and compliance with this Contract, shall be returned to the rightful claimant.
12. This Contract including the Small Mining Notice of Intention, as amended, represents the entire agreement of the parties involved, and any modification must be approved in writing by the parties involved.
13. Each signatory below represents that he/she is authorized to execute this Contract on behalf of the named party.
